

A guide to the Solomos Museum for visitors on the autism spectrum

The Guide for visitors on the Autism Spectrum (GAS) to the Solomos Museum Corfu was created by the GAS Group Department of Archives, Library Science and Museology of the Ionian University, in collaboration with the Solomos Museum Corfu

Today I will visit the Solomos Museum, in Corfu.

There are rules in the Museum:

- ✓ I look at the exhibits inside and outside the showcases from a distance without touching. This way everything remains clean and, above all, safe.
- ✓ During the visit I stay close to those who accompany me.
- ✓ I walk slowly and I am careful with my movements.
- ✓ I speak in a low voice. I can also use my inner voice.

I remember the rules so everyone is happy!

ΜΟΥΣΕΙΟ ΣΟΛΩΜΟΥ
ΣΤΟ ΣΠΙΤΙ ΑΥΤΟ ΕΖΗΣΕ
ΤΑ ΤΕΛΕΥΤΑΙΑ 25 ΧΡΟΝΙΑ
ΤΗΣ ΖΩΗΣ ΤΟΥ ΚΑΙ ΠΕΘΑΝΕ
ΕΔΩ Ο ΕΘΝΙΚΟΣ ΜΑΣ ΠΟΙΗΤΗΣ
ΔΙΟΝΥΣΙΟΣ ΣΟΛΩΜΟΣ

The museum is located inside the house where Dionysios Solomos has been living during the last 25 years of his life.

This is the road towards the Museum.

On the right side there is a narrow alley.
The stairs lead to the museum.

This is the entrance of the museum.

I enter the museum.
In front of me I see a bust of Dionysios Solomos.

Συχνά τὰ στήθη
ἐκούρασα ποτέ
τὴν καλωσύνη

Πάντα ἀνοιχτά πάντα
ἀγροπνεύα καὶ μέτρια
τῆς υγιείας μου.

On the right there is a showcase with manuscripts of Dionysios Solomos.

The reading office is located on the left.

Next to the stairs there are exhibits about a story written by Solomos.
It is called "The Woman of Zakynthos".
There are also paintings of Alekos Fasianos and Aria Komianou.

How I look:

- I stand in front of the exhibits, but not too close.
- I use my eyes and not my hands.
- I keep my hands close to my body.

The exhibits are in showcases (display windows) at the center or on the walls. I can make up stories about the exhibits in my mind. This is a lot of fun!

The stairs lead me to the first floor of the museum.

I walk up the stairs. This is the first floor.

In this hall are exhibited the most important items of Dionysios Solomos.

In the centre of the hall, between the two windows, is located the desk and the portrait of Dionysios Solomos.

Here I see Solomos' manuscripts and books.

Exiting the hall, I can see portraits of people inspired by Solomos.

On my way out, to the right, there is a small book shop.
I can buy a souvenir from the museum.

It's time for me to go!
I have to make sure I have all my belongings with me.

Goodbye, Solomos Museum!
I hope to visit you again soon and see more things!
